

CHELTENHAM COLLEGE  
PREPARATORY  
SCHOOL

## **Boarding Principles**

The Cheltenham College Preparatory School Boarding House aims to provide an environment in which each pupil in its care can flourish and grow in all spheres of their school life in a safe and secure environment. The relationship between pupil, parent and House, will be fundamental to this and communication is encouraged to be frequent and open.

The Boarding House should be a 'home from home' where all pupils can study, play and rest. They should develop responsibility for themselves and others, and have the opportunity to express their individuality, whilst learning respect and consideration towards the immediate and wider community in which they live.
