In Cade House, we aim to provide a family atmosphere in which each child feels safe, happy and valued whilst staying away from home.

The health, safety and wellbeing of all our boarders are of paramount importance to all the adults who work within the school. All children have the right to protection regardless of age, gender, race, culture or disability, ensuring a secure and stable environment exists. They have a right to be safe in school, and the school follows a specific child protection policy.

We are committed to creating and maintaining an environment that discourages bullying and deals constructively with any instances that may occur following the school Anti-Bullying Policy. We actively promote kindness and friendship within Cade House.

We aim to promote an open and trusting ethos ensuring each child's right to privacy, dignity, independence, and individuality. Each child must be treated fairly, and we aim to encourage children to learn to exercise a degree of freedom in a responsible way, which develops behaviour traits of mutual respect, courtesy, honesty, care, co-operation and building positive relationships between each other.

We hope to create a family atmosphere that each child feels is an extension of their home.
